**NORTHEAST HOMECARE CODING SPECIALIST EARNS NATIONALLY-
RECOGNIZED CERTIFICATION**

Beverly, Mass. – Mary Hendry of Northeast HomeCare recently passed a stringent exam to become certified as a Home Health Coding Specialist. Hendry currently serves as a Home Care Coding Specialist-Diagnosis for Northeast HomeCare, Beverly and Addison Gilbert hospitals' Medicare-certified home care agency and a program of Northeast Senior Health.

A resident of Groveland, Hendry has been employed by Northeast HomeCare for nearly four years. The Board of Medical Specialty Coding is the awarding organization of her recent Home Health Coding Specialty certification, which made her part of the Board of Medical Specialty Coding.

“Employing a specialized coder is considered a best practice in the home health industry,” explained Karen Gomes, RN, Executive Director of Home Health Services for Northeast Senior Health. “Mary Hendry has been a tremendous asset to Northeast HomeCare over the years, and her new certification is a validation of the expertise she brings to her role every day. All of us congratulate her on this significant achievement.”
